Introduction

This directory provides a list of Vantage Medicare Advantage's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You will have to choose one of the network providers who are listed in this directory to be your **M**edical **H**ome-**P**rietary **C**are **P**hysician/**P**rovider (MH-PCP). The term "MH-PCP" will be used throughout this directory. Generally, you must get your health care coverage from your MH-PCP. The MH-PCP may be a family practitioner, general internist or pediatrician. The MH-PCP will be the doctor who will provide, arrange or authorize all routine medical care that you may need while you are a member of our plan. If you have questions about selecting or changing your medical home-primary care physician, please call Vantage's Member Services Department.

The "network providers" listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a prior authorization from us. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers.

Most Vantage Medicare Advantage plans offer a point-of-service (POS) option for certain services. This means all services obtained from out-of-network providers require prior authorization (except emergency services, urgently needed care and kidney dialysis outside the Vantage's service area). Most services from out-of-network providers are subject to a higher cost share (forty percent (40%) coinsurance after a \$250 deductible). However, in most cases, services obtained from out-of-network providers will be treated as in-network if prior authorization has been obtained, and in-network cost sharing will apply. Vantage will notify you in writing if an authorized service from an out-of-network provider will not be treated as in-network. Please refer to your Evidence of Coverage (EOC) to see if the plan in which you are enrolled has the POS benefit.

In the event of an emergency, go to the nearest emergency room or the nearest network hospital for treatment. If you need immediate emergency assistance, call 911 or an ambulance service. You do not need a referral from your MH-PCP or a prior authorization to receive treatment for an emergency condition. Call your MH-PCP within 48 hours of the emergency treatment or an admission to the hospital from the emergency room.

If you receive a bill directly from an out-of-network provider related to emergency care or other services, you should not pay the bill. Please send the bill with a note explaining the circumstances to Vantage Medicare Advantage, 130 DeSiard Street, Suite 300, Monroe, LA 71201. Vantage will review the bill and determine your liability, if any, based on your Vantage Medicare Advantage Plan.

If your plan does not have a POS benefit, you must use plan providers except in emergency or urgent care situations or out-of-area kidney dialysis services. If you obtain routine care services from out-of-network providers, neither Medicare nor Vantage Medicare Advantage will be responsible for these costs. As stated above, if your plan does have a POS benefit, it may cost more to get care from out-of-network providers.

Providers with three asterisks (*) are not currently accepting new patients. Providers marked with a † accept both Medicare & Medicaid. Providers listed are subject to change at any time. Please call (318) 361-0900 or (866) 704-0109 or go to www.VantageMedicare.com to verify provider status.**

If your Vantage member ID card includes the Affinity Health Network logo, **this means that your cost share will be lower when you receive certain services from Affinity Health Network (AHN) providers.** Services with reduced copays are shown on your Vantage Member ID card and/or in your Evidence of Coverage. AHN providers are listed on the Affinity Health Network pages in the first section of this Provider Directory.
