Introduction

This directory provides a list of Vantage Medicare Advantage's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You will have to choose one of the network providers who are listed in this directory to be your **M**edical **H**ome-**P**rimary **C**are **P**rovider (MH-PCP). The term "MH-PCP" will be used throughout this directory. Generally, you must get your health care coverage from your MH-PCP. The MH-PCP may be a provider who specializes in Family or General Practice, Internal Medicine or Pediatrics. The MH-PCP will be the provider who will provide, arrange or authorize all routine medical care that you may need while you are a member of our plan. If you have questions about selecting or changing your medical home-primary care provider, please call Vantage's Member Services Department.

The "network providers" listed in this directory have agreed to provide you with your health care/vision/dental services. You may go to any of our network providers listed in this directory; however, some services may require a prior authorization from us. Other providers are available in our network.

Most Vantage Medicare Advantage plans offer a point-of-service (POS) option for certain services. This means all services obtained from out-of-network providers require prior authorization (except emergency services, urgently needed care and kidney dialysis outside the Vantage's service area). Most services from out-of-network providers are subject to a higher cost share (fifty percent (50%) coinsurance after a $500 deductible). However, in most cases, services obtained from out-of-network providers will be treated as in-network if prior authorization has been obtained, and in-network cost sharing will apply. Vantage will notify you in writing if an authorized service from an out-of-network provider will not be treated as in-network. Please refer to your Evidence of Coverage (EOC) to see if the plan in which you are enrolled has the POS benefit.

If you receive a bill directly from an out-of-network provider related to emergency care or other services, you should not pay the bill. Please send the bill with a note explaining the circumstances to Vantage Medicare Advantage, 130 DeSiard Street, Suite 300, Monroe, LA 71201. Vantage will review the bill and determine your liability, if any, based on your Vantage Medicare Advantage Plan.

In the event of an emergency, go to the nearest emergency room or the nearest network hospital for treatment. If you need immediate emergency assistance, call 911 or an ambulance service. You do not need a referral from your MH-PCP or a prior authorization to receive treatment for an emergency condition. Call your MH-PCP within 48 hours of the emergency treatment or an admission to the hospital from the emergency room.

If your plan does not have a POS benefit, you must use network providers except in emergency or urgent care situations or out-of-area kidney dialysis services. If you obtain routine care services from out-of-network providers, neither Medicare nor Vantage Medicare Advantage will be responsible for these costs. As stated above, if your plan does have a POS benefit, it may cost more to get care from out-of-network providers.

If you believe that Vantage has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance with: Robert J. Bozeman, General Counsel of Vantage, 130 DeSiard Street, Suite 300, Monroe, Louisiana 71291, (318) 998-3215, TTY (866) 524-5144, Fax (318) 361-2165, rbozeman@vhpla.com. You can file a grievance in person or by mail, fax, or email. If you need help filing a grievance, Robert J. Bozeman is available to help you. Discrimination Grievance Procedure

It is the policy of Vantage not to discriminate on the basis of race, color, national origin, sex, age, disability or any other legally protected characteristic. Vantage has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by Section 1557 of the Affordable Care Act (42 U.S.C. 18116) and its implementing regulations at 45 CFR part 92, issued by the U.S. Department of Health and Human Services. Section 1557 prohibits discrimination on the basis of race, color, national origin, sex, age or disability in certain health programs and activities. Section 1557 and its implementing regulations may be examined in the office of Robert J. Bozeman, General Counsel of Vantage, 130 DeSiard Street, Suite 300, Monroe, Louisiana 71291, (318) 998-3215, TTY (866) 524-5144, Fax (318) 361-2165, rbozeman@vhpla.com, who has been designated to coordinate the efforts of Vantage to comply with Section 1557.

Any person who believes someone has been subjected to discrimination on the basis of race, color, national origin, sex, age or disability may file a grievance under this procedure. It is against the law for Vantage to retaliate against anyone who opposes discrimination, files a grievance, or participates in the investigation of a grievance.

Procedure:

- Grievances must be submitted to the Section 1557 Coordinator, Vantage's General Counsel – Robert J. Bozeman, within (60 days) of the date the person filing the grievance becomes aware of the alleged discriminatory action.
- A complaint must be in writing, containing the name and address of the person filing it. The complaint must state the problem or action alleged to be discriminatory and the remedy or relief sought.
- The Section 1557 Coordinator (or his designee) shall conduct an investigation of the complaint. This investigation may be informal, but it will be thorough, affording all interested persons an opportunity to submit evidence relevant to the complaint. The Section 1557 Coordinator will

maintain the files and records of Vantage relating to such grievances. To the extent possible, and in accordance with applicable law, the Section 1557 Coordinator will take appropriate steps to preserve the confidentiality of files and records relating to grievances and will share them only with those who have a need to know.

- The Section 1557 Coordinator will issue a written decision on the grievance, based on a preponderance of the evidence, no later than 30 days after its filing, including a notice to the complainant of their right to pursue further administrative or legal remedies.
- The person filing the grievance may appeal the decision of the Section 1557 Coordinator by writing to Vantage's CEO within 15 days of receiving the Section 1557 Coordinator's decision. The CEO shall issue a written decision in response to the appeal no later than 30 days after its filing.

The availability and use of this grievance procedure does not prevent a person from pursuing other legal or administrative remedies, including filing a complaint of discrimination on the basis of race, color, national origin, sex, age or disability in court or with the U.S. Department of Health and Human Services, Office for Civil Rights. A person can file a complaint of discrimination electronically through the Office for Civil Rights Complaint Portal, which is available at: *https://ocrportal.hhs.gov/ocr/portal/lobby.jsf*, or by mail or phone at: U.S. Department of Health and Human Services, 200 Independence Avenue SW., Room 509F, HHH Building, Washington, DC 20201.

Complaint forms are available at: *http://www.hhs.gov/ocr/office/file/index.html*. Such complaints must be filed within 180 days of the date of the alleged discrimination.

Vantage will make appropriate arrangements to ensure that individuals with disabilities and individuals with limited English proficiency are provided auxiliary aids and services or language assistance services, respectively, if needed to participate in this grievance process. Such arrangements may include, but are not limited to, providing qualified interpreters, providing taped cassettes of material for individuals with low vision, or assuring a barrier-free location for the proceedings. The Section 1557 Coordinator will be responsible for such arrangements.
