VANTAGE HEARING AID DISCOUNT PROGRAM

Effective March 1, 2017, Vantage has partnered with Your Hearing Network to offer our members a discount hearing aid program. Special pricing is available to Vantage members who use this discount network for hearing aids.

- Choose the hearing aid that fits your needs and budget! There is a variety of colors, sizes, and technology levels.
- All Vantage members may take advantage of the discounted rates on hearing aids.
- In addition, your Vantage plan may have a hearing aid benefit which covers some of the discounted cost as well.
- Please call Vantage's Hearing Aid Team at (318) 998-3902 or (844) 580-4849 if you have questions about your plan's benefits or if you need more information about the discount program. The Vantage Hearing Aid Team can help you locate a participating hearing aid provider, arrange fittings, and assist in pre-authorization and reimbursement processing, if applicable.
- You will pay the participating hearing aid provider for any hearing aids or services provided through the discount hearing aid program. If your plan has an additional hearing aid benefit, you must use the Vantage reimbursement form and provide proof of purchase for reimbursement after a 30-day trial period. After Vantage's approval of the documentation, the reimbursement will be mailed to you within 60 days.
