• What levels of coverage are included?

- Preventive dental routine exams and cleanings (2 per calendar year), preventive x-rays (1 set per calendar year). Preventive coverage includes only codes in the Preventive code category.
- <u>Comprehensive dental</u> includes fillings, extractions, root canals, crowns, and other specified dental services. Comprehensive coverage includes codes in the Basic and Major categories for adults and children.
- Orthodontia dental includes braces and aligners to adjust teeth. Orthodontia coverage is available to children only.

• Is there a waiting period for dental coverage to become effective?

> No. Dental coverage is in effect at your effective date.

• What is my financial responsibility?

- > Preventive Dental and Comprehensive Dental services are not subject to any deductible on your plan.
- > In-Network preventive dental services are covered at 100% of the Vantage Allowable.
- Comprehensive dental member responsibility varies by dental code category. See the chart above for member cost share and the benefit maximum amount.
- > An Out-of-Network Provider may balance-bill you for any charges over the Vantage Allowable.

• How does Vantage Dental coordinate with other dental supplemental policies?

- Standard coordination of benefit rules applies when determining the primary payor. Vantage's coverage is generally primary.
- > It is your responsibility to supply all dental coverage ID cards at the time of service.
- > Vantage will not authorize dental services or return predetermination requests when Vantage is secondary.

• What covered services require pre-authorization? How do I request pre-authorization?

- Preventive and Basic Dental No pre-authorization required.
- > Major Dental and Orthodontia Pre-authorization required.
- ➤ All Out-of-Network Pre-authorization required.
- > Your dental provider may request a pre-authorization for services by contacting Vantage's Dental department.

• Who do I call for help?

Vantage's Dental department can be reached at (844) 788-1907. They can assist with dental eligibility, benefits, and claim status questions.
