• What levels of coverage are included?

- ➤ <u>Preventive dental</u> routine exams and cleanings (2 per calendar year), preventive x-rays (1 set per calendar year). Preventive coverage includes only codes in the Preventive code category.
- > Comprehensive dental includes fillings, extractions, root canals, crowns, and other specified dental services. Comprehensive coverage includes codes in the Basic and Major categories for adults and children.
- > Orthodontia dental includes braces and aligners to adjust teeth. Orthodontia coverage is available to children only.

• Is there a waiting period for dental coverage to become effective?

➤ No. Dental coverage is in effect at your effective date.

What is my financial responsibility?

- > Preventive Dental and Comprehensive Dental services are not subject to any deductible on your plan.
- In-Network preventive dental services are covered at 100% of the Vantage Allowable.
- > Comprehensive dental member responsibility varies by dental code category. See the chart above for member cost share and the benefit maximum amount.

How does Vantage Dental coordinate with other dental supplemental policies?

- > Standard coordination of benefit rules applies when determining the primary payor. Vantage's coverage is generally primary.
- ➤ It is your responsibility to supply all dental coverage ID cards at the time of service.
- ➤ Vantage will not authorize dental services or return predetermination requests when Vantage is secondary.

What covered services require pre-authorization? How do I request pre-authorization?

- > Preventive and Basic Dental No pre-authorization required.
- ➤ Major Dental and Orthodontia Pre-authorization required.
- ➤ All Out-of-Network Pre-authorization required.
- Your dental provider may request a pre-authorization for services by contacting Vantage's Dental department.

Who do I call for help?

> Vantage's Dental department can be reached at (844) 788-1907. They can assist with dental eligibility, benefits, and claim status questions.
